

DIGITAL ART CONTEST

Bring your imagination to life by creating a unique creation on a digital canvas! All that matters is that you can create something new and appealing for our audience. This art contest is a great opportunity for you to show off your creative art and get some valuable feedback from other artists.

Team size: Individual participation

Time limit: 3 hours

Mode: Offline

Prizes worth 8k

Rules:

- **Eligibility:** The event is open to all individuals who are interested in graphic design.
- **Medium:** All entries must be made digitally using illustration software. Contestants can use any illustration software of their choice.
- **Theme:** The theme of the contest will be announced at the beginning of the event. All entries must be in accordance with the theme.
- **Originality:** All entries must be original works created by the artist submitting the entry. Entries that have been previously

published or exhibited or that infringe on any third-party rights, including copyright, will be disqualified.

- Any sign of plagiarism will result in disqualification.
- **Submission:** Participants need to submit a zip folder containing their work in .psd or .ai format, along with a .jpeg file of the same, with at least three stages of their work.
- Only one entry per contestant is allowed.
- Contestants should use a standard artboard with dimensions of 1080 x 1080 (1:1 aspect ratio).
- **Judging:** The judges will consider the originality, creativity, technical skill, and adherence to the theme in their evaluation of the entries.
- All contestants must bring their own devices.
- No entries will be accepted after the deadline.
